Alexandra Forrester of Richardson Commercial® Arranges Sale of Ewing Medical Office

EWING, NJ, March 30, 2018 – Alexandra Forrester, a Realtor Associate with Richardson Commercial Realtors®, arranged the sale of a 1,000± square-foot office condominium at 1450 Parkside Avenue in Ewing Township. Forrester was the listing agent working on behalf of the seller, Mercer Realty Group, LLC, who had purchased the property as an investment.

The one-story medical office is complete with a reception area, exam rooms with sinks, offices, a kitchenette area and a half bathroom, making it ideal for the buyer, Anand and Neelima LLC, who had an existing medical practice but wanted to relocate nearby. She'll continue serving patients at the Parkside Avenue office. The purchaser was represented by Tracy Brannigan of Thompson Management.

"The suite is turn-key for Dr. Neelima's medical practice and offers easy entry and convenient parking. We wish her much success at her new location," said Forrester.

A division of one of the Delaware Valley's premier full-service commercial real estate, appraisal and property management firms, Richardson Commercial prides itself in combining education, marketing savvy, seasoned counsel and an in-depth knowledge of the Central Jersey market to successfully sell properties and help clients reach their investment goals. The Richardson Commercial umbrella also includes the Richardson Management Group and Lexington Appraisal Group. For more information, please visit richardsoncommercial.com.
